
WHERE ARE YOU
RUMAYSA KHAN?
SAVE THE MULTIVERSE!
Wonderbly

DEAR RUMAYSA,
YOU HAVE THE POTENTIAL TO BECOME ANYTHING IN THE UNIVERSE.
WHEREVER YOU GO IN THE UNIVERSE, REMEMBER THAT YOU'RE NEVER ALONE.

Okaaaay . . . This is unexpected.

It's a parcel. It's got your name on it. And the squid delivering it is in such a hurry, it doesn't even have time to knock on the door.

You try to ask the delivery squid what's going on,
but it just flies off.

Whatever it is, it must be important. The wall can wait!

You open the box.

What's this?
A . . . periscope?

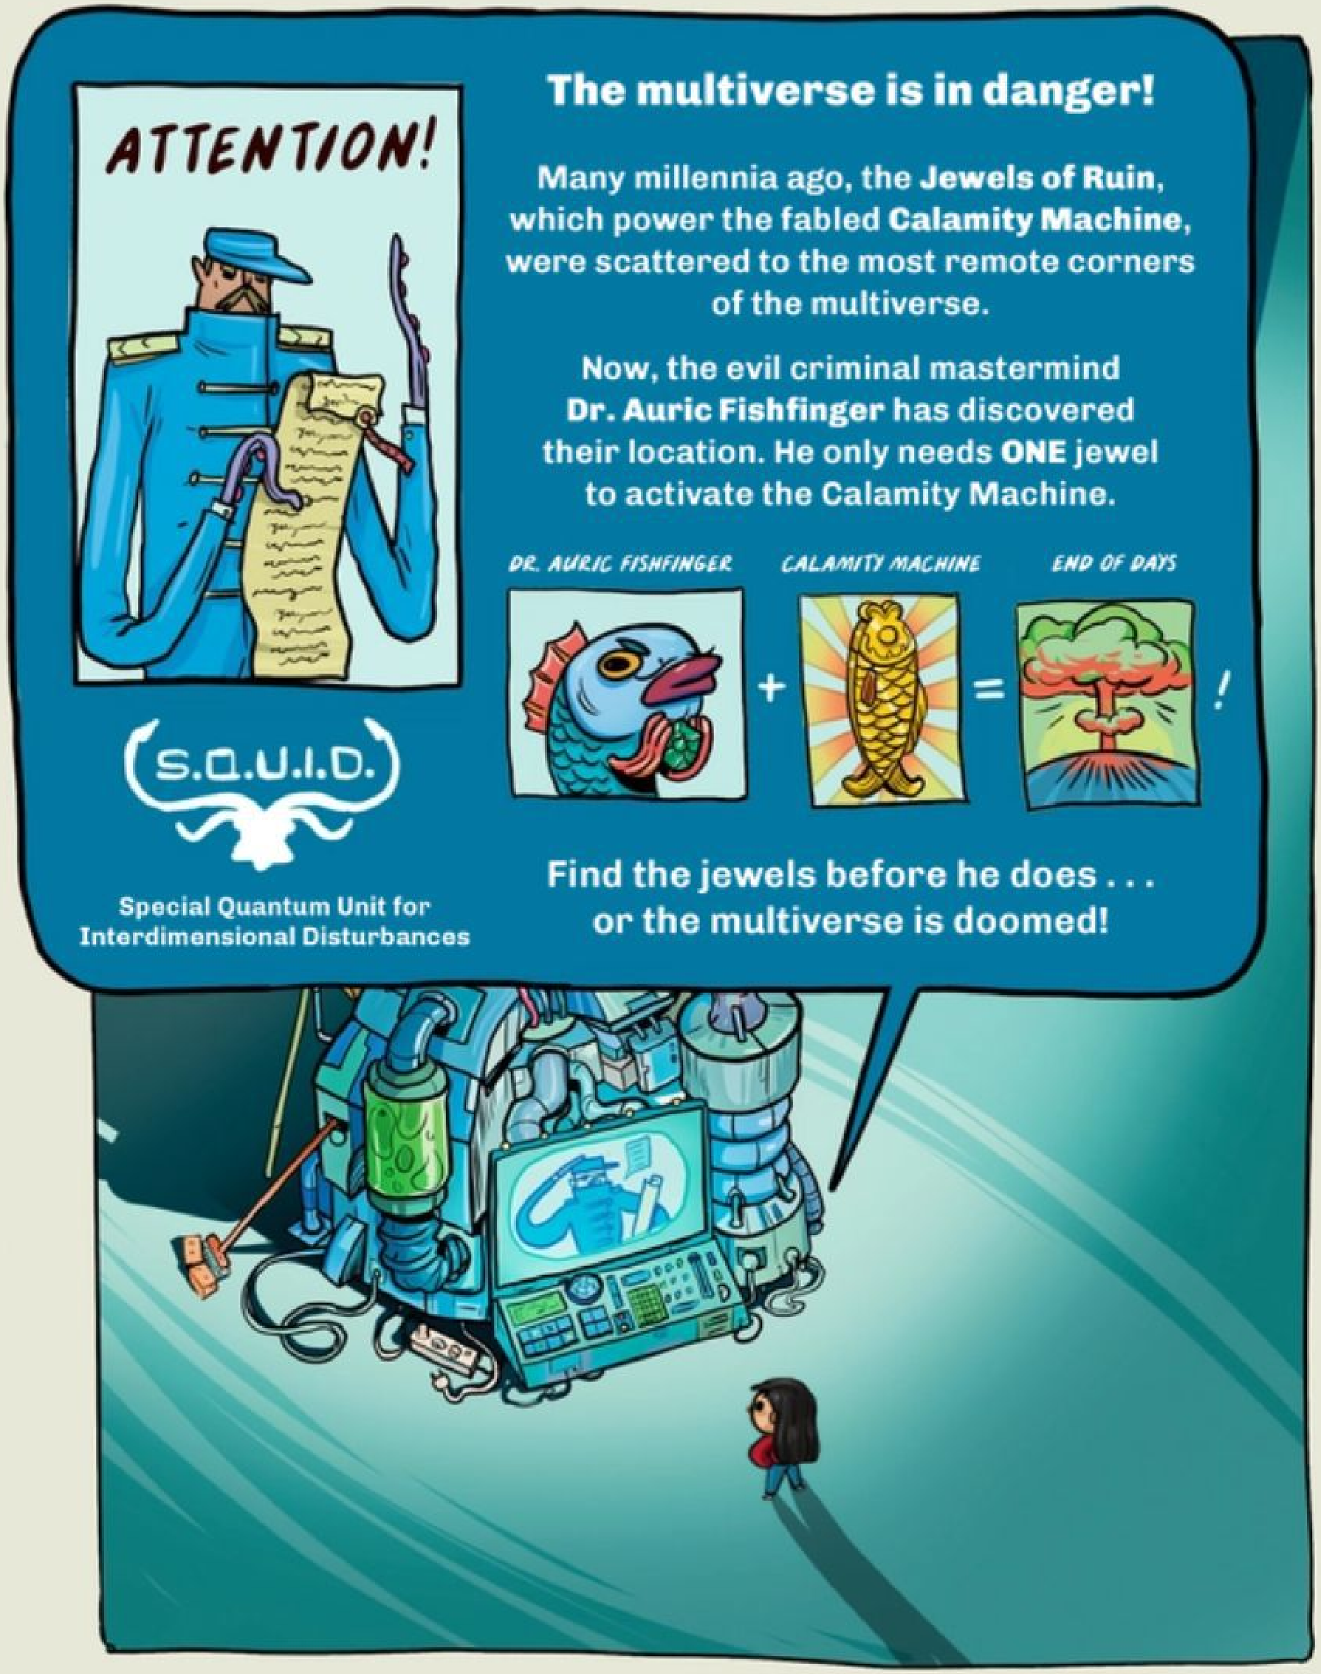

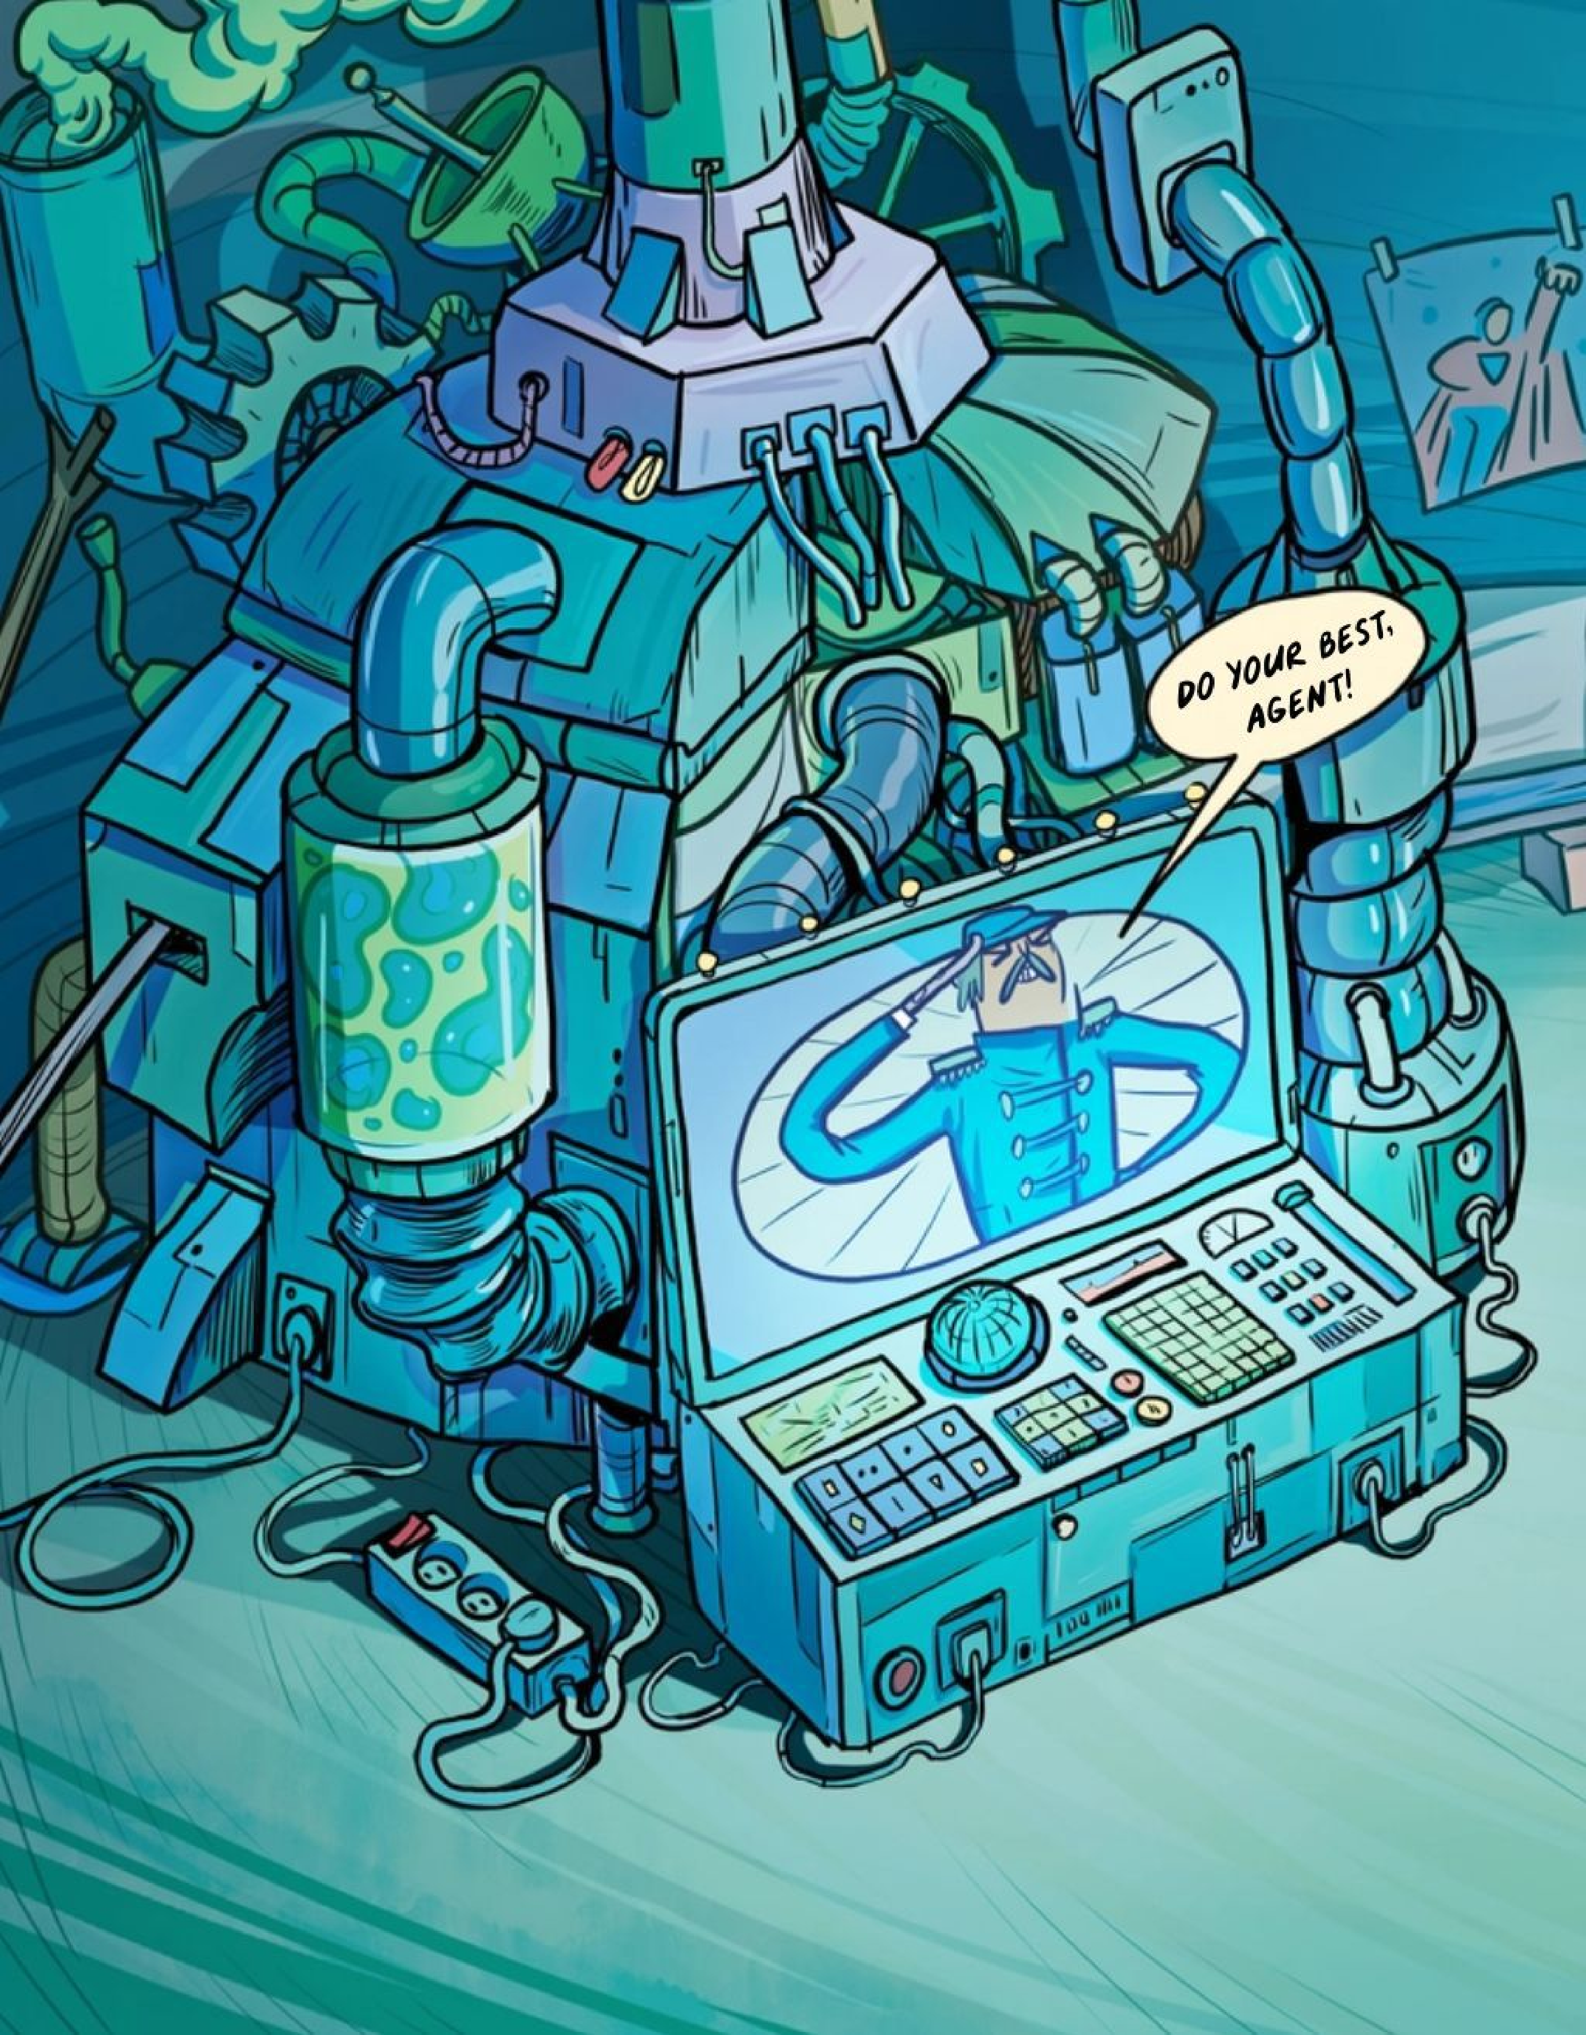

Aha! At least it comes with instructions.

You get busy with a wrench.

Yikes, this thing is *complicated.*

It seems that you've built a Parallel Universal Portal, which lets you look into alternative universes (and see alternative versions of you!). And there's a message. Things are getting intense . . .

DO YOUR BEST, AGENT!

An urgent mission to save the multiverse from an evil criminal mastermind?

Awesome!

With a whirr, the machine lights up with your mission briefing. You need to head to Book Universe, where Dr. Fishfinger has been spotted.

A portal opens up and you peer through it. In this universe, it looks like you're a famous detective. But where's the jewel? Time to investigate . . .

S.Q.U.I.D. MISSION:
BOOK UNIVERSE

MISSION 1: CAN YOU SPOT THIS MYSTICAL PINK JEWEL OF RUIN, HIDDEN SOMEWHERE IN THIS UNIVERSE, BEFORE DR. FISHFINGER DOES? AND CAN YOU TRACK HIM DOWN, TOO?

MISSION 2: IF YOU HAVE TIME, CAN YOU FIND RUMAYSA HOLMES (YOUR ALTERNATIVE DETECTIVE SELF) AND HELP WITH HER LATEST CASE? A THIEF HAS STOLEN THE QUEEN OF HEARTS' FAVORITE PURSE. A WITNESS SAID THE THIEF IS WEARING SUNGLASSES AND A RED HAT. WHERE IS HE?

MISSION 3: IF YOU CRACK THAT CASE, THEN LITTLE RED RIDING HOOD ALSO NEEDS HELP. SHE'S DELIVERING FOOD TO THE KINGDOM'S GRANDMAS . . . BUT SHE MUST AVOID THE WOLF! CAN YOU FIND HER AND ALL FIVE GRANDMAS – AND WORK OUT WHICH GRANDMA SHE SHOULD DEFINITELY AVOID?

MISSION 4: ANOTHER MISSION! THE UNIVERSE'S MOST NOTORIOUS PIRATE, LONG JOHN SILVER, IS ON THE TRAIL OF HIDDEN TREASURE – BUT HE'S ALL AT SEA. CAN YOU FIND HIM? THEN FIND THE KEY TO CRACK THE CODE, WHICH WILL LEAD YOU TO THE MISSING PIRATE CHEST!

MISSION 5: FINALLY, IF YOU STILL HAVE TIME, COULD YOU FIND LITTLE BO PEEP AND LEND HER A HAND? SHE'S LOST HER SIX SHEEP (IT HAPPENS A LOT) AND COULD DO WITH AN EXTRA PAIR OF EYES TO ROUND THEM ALL BACK UP.

Uh-oh! You're too late – Dr. Fishfinger has got to the final Jewel of Ruin before you! He's about to insert it into the Calamity Machine . . .

Quick! Grab the jewel or it's bye-bye, multiverse!
You've got 5 seconds . . . 4 . . . 3 . . . 2 . . .

Just in time! Our fiendish fishy friend is foiled, and the multiverse is safe. At least for the moment . . .

The agents of S.Q.U.I.D. arrive to take Dr. Fishfinger away. Get those handcuffs (um, fincuffs) on him quickly! He's a slippery character – we can't let him wriggle out of this one!

Back at home, your mission is over. You kept the multiverse safe, with a little help from your alternative selves. Congratulations, Rumaysa.

And it looks like that wall is going to be repaired, too.

Hope you're better at construction than you are at destroying the multiverse, Fishfinger!
